

# 2000 U.S. Export Administration Regulations

The 2000 edition of the Export Administration Regulations (EAR) provides exporters with the latest rules controlling the export of U.S. dual-use commodities, technology, and software. Step by step, the EAR explains:

- When an export license is necessary and when it is not
- How to obtain an export license
- Policy changes as they are issued
- New restrictions on exports to certain countries and certain types of items
- Where to obtain further help

## *Now Available in Three Convenient Formats— Looseleaf, CD-ROM, and Online!*

**Looseleaf** - For \$116\* a year, you get the EAR Base Manual plus three bulletin updates.

**CD-ROM** - For \$120\* a year, you get four quarterly update issues. Features full search and bookmark capability to locate specific data ... eliminates time-consuming manual maintenance ... and allows you to print and download parts of the EAR as you wish.

**Online** - For \$252 a year, you have access to new and revised regulations after being published in the Federal Register. This Web-based service also features full search capability plus access to the Prohibited Parties Database for screening your export order prior to shipment. You can order this service online at <http://bxa.fedworld.gov>.

\* For shipping addresses within the U.S., Canada, and Mexico only. See reverse side for complete pricing information.
